## **EVS RECEIVES ORDER FROM TAIWAN FOR MULTIPLE SYSTEMS**

**Caesarea, Israel, September 19, 2017 — Elbit Vision Systems Ltd. (OTC: EVSNF)**, a pioneer in the science of camera-based automatic vision inspection for textile fabrics and technical webs, announced today that it has received an order that totaled over \$650,000 from a Taiwanese customer.

The order, which contained both IQ-TEX4 and SVA systems, was placed by a customer which had previously bought a single IQ-TEX4 system. The systems will be installed in factories in both Taiwan and the United States during 2017.

**Sam Cohen, CEO of EVS, commented**, “We are very pleased with this follow-on order from a very important and influential customer. Their positive experience with our systems and the quick return on their investment demonstrates how an initial penetration of our technology leads to a strong, lasting partnership.”
