## **EVS DEEPENS PENETRATION INTO ASIAN HOME TEXTILES MANUFACTURERS**

**Caesarea, Israel, June 4, 2015** — **Elbit Vision Systems Ltd. (OTCBB: EVSNF.OB)**, a pioneer in the science of camera-based automatic vision inspection for textile fabrics and technical webs, announced today that it has received another large order from a major manufacturer in the Asian Home Textile market. This \$0.6 million sale to a world leading Indian-based conglomerate consists of IQ-TEX4 Automatic Inspection systems in conjunction with Shade Variation Analyzers. This order, along with the previously announced \$1 million order from a Chinese manufacturer, pushes the Asian Home Textile market to 35% of the current \$4.5 million backlog that EVS expects to deliver during 2015.

**Sam Cohen, CEO of EVS, commented,** “This order is another successful step in furthering our strategy to penetrate the home textile manufacturers in Asia. It is also a very important order with a leading Indian conglomerate which provides a strong reference for winning additional home textile business in this huge market. These orders strengthen our confidence for solid performance in 2015.”
